### **Trans Bay Cable (TBC)**

#### **CPUC Wildfire Safety Division Data Request Regarding 2020 Wildfire Mitigation Plan**

**Date Received: February 26, 2020**

**Date Responded: February 28, 2020**

#### **1. Item Index: TBC-43879-E-2**

##### **Specific Data Request:**

Provide updated versions of each table without blank inputs. If blank entries represent fields that are not applicable or zero, please input "NA" or "0", respectively. For tables in which every entry is NA or 0, a copy of the table is not required if it is clearly stated that the entire table would be completed with NA or 0, respectively.

##### **Response:**

Updated revised Excel workbooks provided. One indicating changes. One clean copy as requested.

#### **2. Item Index: TBC-43879-Z-20**

##### **Specific Data Request:**

If TBC caused any ignitions, submit point data representing utility-caused ignitions that occurred from 2015-2019. Include the attributes listed in the data dictionary found here: <https://kwftp.cpuc.ca.gov/#/file/279210>

This data dictionary was taken from an appendix of the "R.18-10-007 SDGE Data Collection for WMP Report 7 30 19" document.

An example of an ignitions report can be found here:

**3. Item Index: TBC-43879-L-21**

**Specific Data Request:**

Guideline 1 requests an accounting of responsibilities of the responsible person(s) executing the WMP including 2) Program owners specific to each component of the plan.

Your WMP includes a table of division/departments/offices overseeing each component of the plan, not the persons or primary contacts leading those divisions/departments/offices.

Please resubmit the Table 33 in Appendix 1 (page 95) to include the names of individuals for each component listed.

**Response:**

Appendix 1 resubmitted. Below indicated file attached.
