**RESPONSE OF TRANS BAY CABLE LLC (U934-E)
TO ADMINISTRATIVE LAW JUDGE'S SECOND
RULING SEEKING ADDITIONAL INFORMATION ON
WILDFIRE MITIGATION PLANS**

I. INTRODUCTION

Trans Bay Cable LLC ("TBC") respectfully asserts that, as per the Administrative Law Judge's Ruling on Wildfire Mitigation Plan Template, and Adding Additional Parties as Respondents¹, TBC is an independent transmission owner and not an investor owned utility. Therefore, TBC believes that the Administrative Law Judge's Second Ruling Seeking Additional Information on Wildfire Mitigation Plans (the "ALJ's Second Ruling") issued on March 5, 2019 is not applicable to TBC.

Respectfully submitted,

TRANS BAY CABLE LLC
